Rescuing Lives Today – Making a Difference in Tomorrow

Anticipation

In this picture you can see some of the children in Casa Emmanuel Orphanage waiting for the Christmas toys and packages on the table to be given out. There is finger biting and restless squirming. Some are pointing to the ones they hope are theirs. You can feel the anticipation in the atmosphere! You know they are thinking “Enough talking! Give me my present!!” Each gift a moment worth waiting for!

At Life Link we are filled with anticipation also. Not for Christmas presents, but for the fulfillment of our mission, Rescuing Children! Each child is a precious gift God has given us. A present to be treasured. Hugged tight and loved with all our hearts!

We look longingly at the children out on the streets of the Philippines and in the filthy markets of African villages. We look at the Ebola orphans in Liberia and Sierra Leone, thousands waiting for someone to realize the depths of their despair and reach out a hand of hope and promise of a future. A promise that each and every day they will have food, clothing, shelter and love.

You and I together can make a difference in lives across the globe.

Rescuing Lives Today – Making a Difference in Tomorrow is not just a motto, but it is the anticipation of what God is going to accomplish through us! TOGETHER WE CAN!!!
Thank you for your faithfulness to the children of the world!

Together for the children!

Connie

P.S.
2014 Was a good year for Life Link. \$62,452.00, was spent to feed, clothe, educate, medicate and other general expenses necessary to care for 500 children. Thank you all for your love and dedication to these beautiful children!

Christmas Pictures from Africa!

Teenagers or toddlers, kids love to get a present. Some of these children had never received a present! Even our handicapped children get something to bring smiles to their faces!!

Life Link is a Christian non-profit international human service corporation committed to improving the quality of life for children everywhere. All donations are tax deductible.
